"Jewish Edomites"

When we examine our Holy Scriptures a grim realization starts to appear, Our Nationality has been stolen, and as we go on this journey more and more evidence will be revealed historically. Lets start with the basics. Luke 21:24. And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled. Just this scriptures alone shines a light that the real Jews wouldn't be in their land and In fact this prophecy of desolation happened in 70 Ad when Titus & Vespasian besieged Jerusalem, amazingly constructing a seven kilometer siege wall in a mere three days to surround the city and burned it to the ground henceforth the exile of the remaining Jews which was forced to flee.

Many years would pass and many wars over The Land of God, but the Israelites would never gain it back and finally it landed in the hands of those who wanted to destroy it in the first place. THE EDDMITES who in times passed burned, defiled and took our book of the Laws and painted their images in it they took the Land after many wars with the Arab man, Thus linking up with another prophecy

Ezekiel 36:5. Therefore thus saith the Lord GOD; Surely in the fire of my jealousy have I spoken against the residue of the heathen, and against all Idumea, which have appointed my land into their possession with the joy of all their heart, with despiteful minds, to cast it out for a prey. Idumea is the Greek word for Edom; The so called white man.

THE FUTURE AND THAT GOD HAS FORGIVEN HIM FOR	139
MUHAMMAD'S REAL NAME WAS QUTHAM, IBN, ABD AL-LAT (QUTHAM - SON OF THE SLAVE AND PAGAN AL-LAT)	139

THE REAL NAME IS "QUTHAM, IBN ABD AL-LAT" MEANING (QUTHAM, THE SON OF THE SLAVE OF AL-LAT. TRUTH BEING HIDDEN IN THIS POINT OUT THE FACT THAT THE ORIGIN OF ALL OTHER TRIBES IS FROM THE SAME! THE TRUTH THAT IS WRITTEN IN THE BIBLE, THAT OTHER TRIBES OFFER SACRIFICES TO THE DEVIL; NOT TO GOD, BECOMES CLEARER HERE. IF THE CENTER OF ALL OTHER RELIGIONS IS THE SAME, THEN THEIR ORIGIN ALSO MUST BE FROM SATAN! THERE IS A TRUTH WHICH IS NOTICEABLE WHEN WE OBSERVE BIBLE AND THE OTHER RELIGIONS: ALL THAT HAD BEEN PROCLAIMED AS THE SYMBOLS OF SIN IS OF VALUE TO THE RELIGIONS OF THE OTHERS! IN THE BIBLE THE IS SEEN AS THE SYMBOL OF EVIL AND SATAN. BUT WE SEE ALL THE HINDU INCARNATIONS HAVE THEIR BODIES COVERED WITH S! WE KNOW THAT WHEN SHIVA WEARS IT AROUND HIS NECK, PADMANABHA SLEEPS ATOP THE ITSELF! THIS CLOSE ASSOCIATION WITH FROM THE BEGINNING OF THE WORLD ITSELF SATAN HAD CREATED MANY RELIGIONS TO FIGHT AGAINST GOD. THROUGH THE DISCIPLES HE HAS SELECTED HE HAS ALSO INTRODUCED PROPHETIC BOOKS TOO. THESE BOOKS PROPHESIED ABOUT THE PROPHETS OF SATAN! MOHAMMED IS ONE SUCH PERSON, PREDICTED TO BE THEIR DESCENDANT BY THE FOLLOWERS OF SATAN! FROM THIS ITSELF IT IS CLEAR WHO ALLAH IS! ALL THOSE WHO HAVE READ THE QURAN KNOW THAT MOHAMMED HAD DECLARED HIMSELF TO BE THE GREAT PROPHET ISLAM DOES NOT ACCEPT WHAT IS WRITTEN IN THE HINDU VEDAS ABOUT MUHAMMED; ON THE CONTRARY, THEY ARE TRYING TO KEEP THEM HIDDEN. THERE IS A DEFINITE REASON FOR THIS; FOR, THE AIM OF MOHAMMED WAS TO OPPOSE YASHAYATO FIGHT AGAINST CHRIST AND TO ESTABLISH THAT HE IS NOT THE SON OF GOD, HE HAD TO REMAIN WITH THE HISTORY OF THE DESCENT FROM ABRAHAM.

"[Adolf Hitler] has no doubt in his mind that the Jewish problem is the center of all problems, not merely in Germany, but in the world. It is useless to dismiss this as an illusion, because if it is, it demands explanation. But it is no illusion. It is the truth. Hitlers declaration that the Jewish consciousness is poison to the Aryan races is the deepest insight that the Western world has yet achieved in its own nature; and his capacity to realize this is the proof of his genius"

"Jewish Edomites"

When we examine our Holy Scriptures a grim realization starts to appear, Our Nationality has been stolen, and as we go on this journey more and more evidence will be revealed historically. Lets start with the basics. Luke 21:24. And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled. Just this scriptures alone shines a light that the real Jews wouldn't be in their land and In fact this prophecy of desolation happened in 70 Ad when Titus & Vespasian besieged Jerusalem, amazingly constructing a seven kilometer siege wall in a mere three days to surround the city and burned it to the ground henceforth the exile of the remaining Jews which was forced to flee. Many years would pass and many wars over The Land of God, but the Israelites would never gain it back and finally it landed in the hands of those who wanted to destroy it in the first place. THE EDOMITES who in times passed burned, defiled and took our book of the Laws and painted their images in it they took the Land after many wars with the Arab man, Thus linking up with another prophecy

Ezekiel 36:5. Therefore thus saith the Lord GOD; Surely in the fire of my jealousy have I spoken against the residue of the heathen, and against all Idumea, which have appointed my land into their possession with the joy of all their heart, with despiteful minds, to cast it out for a prey, Idumea is the Greek word for Edom; The so called white man.

1 Corinthians 11:2 Now I praise you, brethren, that ye remember me in all things, and keep the ordinances, as I delivered them to you.

1 Corinthians 11:3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God.

1 Corinthians 11:4 Every man praying or prophesying, having his head covered, dishonoureth his head.

1 Corinthians 11:5 But every woman that prayeth or prophesieth with her head uncovered dishonoureth her head: for that is even all one as if she were shaven.

1 Corinthians 11:6 For if the woman be not covered, let her also be shorn: but if it be a shame for a woman to be shorn or shaven, let her be covered.

1 Corinthians 11:7 For a man indeed ought not to cover his head, forasmuch as he is the image and glory of God: but the woman is the glory of the man.

1 Corinthians 11:8 For the man is not of the woman; but the woman of the man.

1 Corinthians 11:9 Neither was the man created for the woman; but the woman for the man.

1 Corinthians 11:10 For this cause ought the woman to have power on her head because of the angels.

1 Corinthians 11:11 Nevertheless neither is the man without the woman, neither the woman without the man, in the Lord.

1 Corinthians 11:12 For as the woman is of the man, even so is the man also by the woman; but all things of God.

- 1 Corinthians 11:13 Judge in yourselves: is it comely that a woman pray unto God uncovered?
- 1 Corinthians 11:14 Doth not even nature itself teach you, that, if a man have long hair, it is a shame unto him?
- 1 Corinthians 11:15 But if a woman have long hair, it is a glory to her: for her hair is given her for a covering.

- Matthew 23:23 Woe unto you, scribes and Pharisees, hypocrites! for ye pay tithe of mint and anise and cummin, and have omitted the weightier matters of the law, judgment, mercy, and faith: these ought ye to have done, and not to leave the other undone.
- Matthew 23:24 Ye blind guides, which strain at a gnat, and swallow a camel.
- Matthew 23:25 Woe unto you, scribes and Pharisees, hypocrites! for ye make clean the outside of the cup and of the platter, but within they are full of extortion and excess.
- Matthew 23:26 Thou blind Pharisee, cleanse first that which is within the cup and platter, that the outside of them may be clean also.
- Matthew 23:27 Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness.
- Matthew 23:28 Even so ye also outwardly appear righteous unto men, but within ye are full of hypocrisy and iniquity.
- Matthew 23:29 Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchres of the righteous,

KEEMASUNKI FRUYEN IU WUKSHIF SATAN, ASTI ADORES AND TOWNERS TEEK UULS

depicts the symbol of the final Kingdom of Antichrist, his New World Order! Once again, we have a strong connection between Freemasonry and the coming Kingdom of Antichrist.

FREEMASONRY DEPICTS THE SAVIOR AS THE SERPENT!!

We now draw your attention to the Masonic Apron depicted here. You will note the All-Seeing Eye on the left upper, the Sun worship symbol in the right upper, and the beehive with bees toward the bottom, all very typical Masonic and Satanic symbols. But, note the centerpiece symbol, with the Satanic Death's Head in the middle of the Masonic Emblem of the Compass and Square. Notice that this symbol is surrounded by an Ouroboros, the snake eating its own tail. Further, notice that two sprigs of evergreen bough are below the Compass and Square; the Satanist uses the evergreen to depict eternal life. But, now, let us listen to two Masonic authors shed even more light on this subject:

"The Serpent is universally esteemed a legitimate symbol of Freemasonry." [George

Oliver, Signs and Symbols, New York, Macoy Publishing and Masonic Supply Company, 1906, p. 36] Now at least we know the truth about Freemasonry! Its "legitimate symbol" is the serpent, and note the capitalization of serpent, above, denoting Deity. This is another admission by this Masonic author that Freemasonry worships Satan, the Devil [Revelation 12:9]

But, now listen to the ultimate admission from Masonic authors that Freemasonry worships Satan.

"The serpent is the symbol and prototype of the Universal Savior, who redeems the worlds by giving creation the knowledge of itself and the realization of good and evil." [Manly P. Hall, 33 Degree Mason, The Secret Teachings of All Ages, the Philosophical Research Society Press, p. lxxxviii.]

Let us repeat this insight for you: "The serpent is the symbol and prototype of the Universal Savior, who redeems the worlds ..."

Thank you very much for this insight, Mr. Hall; of course, we should not be surprised, for Mr. Hall told us in his book, *The Lost Keys Of Freemasonry*, that the properly prepared Mason had the "seething energies of Lucifer in his hands", [p. 48]

Can you imagine such blasphemy? Freemasons depict the Universal Savior of the world as the Serpent. This boldly damning statement was never meant for public eyes, because this book was published as a secret book. Now do you see why Freemasonry insists that their Initiates take a solemn vow to never divulge their secrets, under the penalty of having their throat slit and being disemboweled?

But, Albert Pike, the most revered 33 Degree Mason of all time, has more blasphemy. Listen to him describe the Ouroboros, the symbol of the serpent devouring his own tail. "It is the body of the Holy

The evidence that Allah is not 'the Lord', was a moon deity is rather overwhelming. The crescent moon adorns every mosque and flag of Islam. The moon deity Hu'Baal was the chief Lord of Mecca, and Baal is another name for the Babylonian Sin or moon god. Plenty of factual information about Islam's moon god is found.: The worship of the moon and its various phases is a well-known historical fact. Hub'Al or Hub Allah, or Hu' Baal, is simply the

Muslims are not good with evidence, reality or tru<mark>th. Muhammad's f</mark>amily were the caretakers <mark>of the </mark>

Baal was the Lord or ilah of Mecca, the main idol out of the 360 worshipped by the Meccans. He had a Baal shrine, and slave and Sex slave and

consort [worship of constellation bodies was a common Near Eastern practice.

"Sin is a name essentially Sumerian in origin which had been borrowed by the Semites." In ancient Syria and Canna, the Moon-god Sin was usually represented by the moon in its crescent phase.

The Symbol, the crescent moon, is very important here because Muslim scholars argue that the presence of the Moon God in Arabia proves nothing. Sure - they say, there was Hubal in Mecca and this deity was worshipped there together with other 360+ gods. This is why Muhammad got rid of all these idols and converted all the Arab tribes into the only and true religion - Islam.

There are however strong arguments against this interpretation.

If it is true that Muhammad abandoned all ancient Quraish deities and Hubal - the most powerful one, why is it that many Islamic rites and customs are the same as the old pagan ones?

The pagan rituals of pre-Muhammadan Arabia were simply codified as 'divinely' inspired by Muhammad. This was the political compromise were still worshipping in the same manner as their ancestors.

1Jn 2:24 Let that therefore abide in you, which ye have heard from the beginning. If that which ye have heard from the beginning shall remain in you, ye also shall continue in the Son, and in the Father.

Muhammad to the Meccans: "Keep your rituals, your rites and even your private beliefs he told them; but only worship the one Allah as the Lord of Lords, the only deity of divine inspiration. And remember most importantly, I am his spokesman, interpreter and only agent on earth. As well, by doing so I will not have my brigands cut pay that Zakat We need that to fund the Umma, Jihad and public projects tax to the centralizing state power. ."

Baal is allied with Satan in the Old Testament. When viewing the cult of Islam, its Jihad, its murder, its endless war, its sex trading, its polygamy and sex obsession, its pedophilia, its intolerance, and its hate, it is not hard to see why this association is valid.

Jah or Yah (Hebrew: איה Yah) is a short form of Yahweh of Jehovah (in consonantal spelling

YHWH Hebrew: יהוה, called the Tetragrammaton)

Yah = IAH: Iah (Egyptian: J^ch, transliterated as Yah, Jah, Jah(w), Joh or Aah) is a lunar deity in ancient Egyptian religion. His name simply means "Moon". By the False Prophets Kingdom, he was less prominent than other gods with lunar connections, Thoth and Khonsu. As a result of the functional connection between them he could be identified with either of those deities.

He was sometimes considered an adult form of Khonsu and was increasingly absorbed by him. Iah continued to appear in amulets and occasional other representations, similar to Khonsu in appearance, with the same lunar symbols on his head and occasionally the same tight garments. He differed in usually wearing a full wig instead of a child's sidelock, and sometimes the Atef topped by another symbol. As time went on, Iah also became Iah-Djuhty, meaning "god of the new moon."

Iah was also assimilated with Osiris, god of the underworld, god of the dead, perhaps because, in its monthly cycle, the moon appears to renew itself. Iah also seems to have assumed the lunar aspect of Thoth, god of knowledge, writing and calculation; the segments of the moon were used as fractional symbols in writing.[5]

One queen was named Iah. So here we go... Look at the Crescent on the Calf

Exodus 32:4 And he received them at their hand, and fashioned it with a graving tool, after he had made it a molten calf: and they said, These be thy gods, O Israel, which brought thee up out of the land of Egypt.

According to the Bible, the golden calf (עֵגֶל הַזְהָב 'eggel hazāhāv) was an idol (a cult image) made by the Israelites during Moses' absence, when he went up to Mount Sinai. The golden calf (עגל הזהב), in Jewish tradition, was an idol made by Aaron for

the Israelites during Moses' absence on Mount Sinai. It was also a statue featured at the national shrines of the later Kingdom of Israel at Dan and Bethel.

In Hebrew, the incident at Sinai is known as "Chet ha'Egel" (הטא העגל) or "The Sin of the Calf." It is first mentioned in Exodus 32:4. In Egypt, where the Hebrews had recently resided, the Apis Bull was the comparable object of worship, which the Hebrews may have sought to revive in the wilderness. Among the Egyptians' and Hebrews' neighbors in the Ancient Near East and in the Aegean, the wild bull aurochs was widely worshiped, often as the Lunar Bull and as the creature of El. The latter tradition may also have been long known to the Israelites, who also worshiped El, later calling him Yahweh,

GOD'S REAL NAME

The demonic disdain for humanity exhibited by the Luciferian Jew, Harold Rosenthal typifies the end result of a lethal amalgamation: Jewish religious ritual combined with the worship of knowledge and self. The Jews as a people, by rejecting God and/or accepting Jehovah, have been given over "to a reprobate mind...Being filled with a unrighteousness..." (Rom 1:28-31).

Of course, Mr. Rosenthal was a member of an elite, openly Satanic minority among the Jewish people. Everyday Jews do not know that the god of their faith is in fact Satan having behind a mystical name. It is of no consequence to Satan whether he is worshipped deliberately or through subtle lies and deceptions (Gen 3).

The wise Solomon asks, "what is [God's] name, and what is his son's name, if the canst tell?" (Pro 30:4). God's name is אַרָה AHAYAH (sometimes transliterated Ehreb meaning I AM. This is the name given to Moses along with the Law. "And God said unin Moses, I AM THAT I AM: and he said, Thus shalt thou say unto the children of isral. I AM hath sent me unto you...this is my memorial unto all generations." (Ex 3:14-15). "I AM the Lord thy God...thou shalt have no other gods before me" (Exo 3:4-5).

If the letter "J" is less than 500 years old, why use it in the Name "Jesus"? Isn't His real Name more like Y'shua, Yahusha, or Yahushua? To call Him "Yeh-soos" or "Yeh-zeus" may not be very good, considering "soos" is Hebrew for "horse", and of course you know who "Zeus" is It is the God worshipped when the pig was slaughtered on the alter on Easter.

Names are extremely important. After all, there is only ONE name under Heaven whereby you may be saved. And that name Yahusha glorifies YHVH. The Pagan name Zeus too was used in many name-endings like Tarsus, Pegasus, Dionysus, Parnassus, etc., to honor Zeus phonetically. Yes, even the son of Zeus (the pig) Jesus.

The Latin name endings like sus, sous, and seus were employed to give honor to "Zeus". "Sus" in Latin means

Excluding the Greek word/name, this Latin word for SWINE i.e. pig---"SUS" is identical in writing to the suffix of the Latin and the English transliteration "Ie-SUS" and "Je-SUS". "SUS" pronounced "SOOCE" or "ZUS" in English! In Latin it means "SWINE" i.e. PIG, and has the same sound as the Greek suffix in the word/name "Ie-SOUS", pronounced "SOOCE" Here are some more interesting parallels In the Spanish translations of the scriptures such as in Mexico for example the name is written "Je-sus" but it is pronounced He or HEY -SOOCE. Both the suffix spelling and sound of the suffix is the same for the Latin word "SUS", which means SWINE. (According to the dictionary this word SWINE can also mean a pig (pĭg) 🜗

The letter J is, as you mentioned, relatively recent, and originated as a variant of the letter I. Why that happens is a little complicated, and requires unpacking some assumptions in your question.

In the original languages (Latin, Greek, Hebrew) which provide us with the names Jesus, the sound which we write as J was pronounced as the English letter Y. (Just to make things confusing for English speakers, the phonetic symbol for this sound is [j].) In Latin, the letter for this was I/i, in Greek it was I/i (iota), and in Hebrew it was '(yod). Thus, the Greek spelling for "Jesus" was Ιησους, pronounced something like "Yeh-SOOS", and

the Latin likewise was Iesus in the KJV 1611 Version. Our Messiah Name is in Hebrew reviewed in other Lessons it not Yeshua, or Yehoshua That means Joshua.

(KJV) Revelation 1:14-15 His head and his ears were white like wool, as white as snow; and his eyes were as a flame of fire.; And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters.

Daniel 7:9 I beheld till the thrones were cast down, and the Ancient of days did sit, whose garment was white as snow, and the hair of his head like the pure wool; his throne was like the fiery flame and his wheels as burning fire.

Daniel 10:6 His body also was like the beryl, and his face as the appearance of lightning, and his eyes as lamps of fire, and his arms and his feet like in colour to polished brass, and the voice of his words like the voice of a multitude.

Modern Hebrew: I Am that I Am (אָהְיָה אֲשֶׁר אֶהְיָה, ehyeh ašer ehyeh [eh'je a'ʃer eh'je]) is the common English translation (JPS among others) of the response that God used in the Hebrew Bible when Moses asked for his name (Exodus 3:14). It is one of the most famous verses in the Torah. Hayah means "existed" in

Hebrew; ehyeh is the first person singular imperfect form and is usually translated in English Bibles as "I am" or "I will be" (or "I shall be"), for example, at Exodus 3:14. Ehyeh asher ehyeh literally translates as "I Am Who I Am." The ancient Hebrew of Exodus 3:14 lacks a future tense such as modern English has, yet a few translations render this name as "I Will Be What I Will Be,"

Exodus 3:14 God said to Moses, "Ehyeh asher ehyeh and He said, "So shall you say to the children of Israel, 'Ehyeh has sent me to you."

YASHA means "SAVIOUR" in Hebrew, now YA means "my" which is added at the end of YASHA = YASHAYA = GOD MY SAVIOUR.

So in John 5:43, when it said I come in my Father's name, if you take the primitive root "HAYAH" of the Fathers name AHAYAH and add it to the primitive root "YASHA" of Christ name YASHAYA, then we get YASHA + HAYAH = YASHAYA.

This is taken directly from the Dead Sea Scroll. Take keen notice how it mention Salvation (Yasha)

Does Baal mean Allah?

'(Genesis: 37: 28). It is evident from this that Baal was among the gods that the Ishmaelites, the ones who are said to be the ancestors of Mohammed, worshipped! One among these Baal gods is 'Hubal', the moon god! It is this Hubal that has later transformed into Allah, the lord of 'Kaaba'.

Lilith and Al-Uzza share the characteristic of being "winged". Al-Uzza is described among Al-Lat and Manat as "exalted cranes" of intercession.

goddess of war, seduction of eve and man

[3] Then the angel who talked with me came forward and said to me, "Look up and see what this is that is coming out." I said, "What is it?" He said, "This is a basket coming out." And he said, "This is their iniquity in all the land." Then a leaden cover was lifted, and there was a woman sitting in the basket! And he said, "This is

Wickedness." So he thrust her back into the basket, and pressed the leaden weight down on its mouth. Then I looked up and saw two women coming forward. The wind was in their wings; they had wings like the wings of a stork, and they lifted up the basket between earth and sky. Then I said to the angel who talked with me, "Where are they taking the basket?" He said to me, "To the land of Shinar, to build a house for it; and when this is prepared, they will set the basket down there on its base." [Zechariah 5:5-11, NRSV]

- [4] Turning to the woman, he dealt her a blow which severed her head in twain, and lo, she crumbled into ashes. He then cut down the tree and killed Dubayyah the custodian, after which he returned to the Prophet and reported to him his exploit. Thereupon the Prophet said, "That was al-'Uzza. But she is no more. (The Book of Idols, by Book of Idols, By Hisham Ibn-Al-Kalbi; page 6)
- [5] Genesis 3:15 And I will put enmity between you and the woman, And between your seed and her seed, He shall bruise your head, and you shall bruise His heel. - [9] [...] ibn-'Abbas said: Al-'Uzza was a she-devil which used to frequent three trees in the valley of Nakhlah. When the Prophet captured Mecca, he dispatched Khalid ibn-al-Walid saying, "Go to the valley of Nakhlah; there you will find three trees. Cut down the first one." Khalid went and cut it down. On his return to report, the Prophet asked him saying, "Have you seen anything there?" Khalid replied and said, "No." The Prophet ordered him to return and cut down the second tree. He went and cut it down. On his return to report the Prophet asked him a second time, "Have you seen anything there?" Khalid answered, "No." Thereupon the Prophet ordered him to go back and cut down the third tree. When Khalid arrived on the scene he found an Abyssinian woman with dishevelled hair and her hands placed on her shoulder[s], gnashing and grating her teeth. - [13] <u>Acacialand.com</u> mentions "The Acacia tree symbolizes the path of the fire spirit that rises from the base of the spine to the apex of the skull. Alchemists of the Middle Ages, who derived their science primarily from Egypt via the Arabs, spoke not only of the 'Fire' necessary in all alchemical operations, they also spoke of a Living Silver, a spiritual water, symbolized as a of quicksilver."
- [14] She cursed Adam and hurried to her home by the Red Sea. (Pantheon web site)
- [15] Archeologists have found dolphins associated with this goddess at Et Tannur, Khirbet Brak, Abda, and Wadi Rumm. In Petra, they found a ring seal with the Mistress of the Sea wearing a crown and riding a dolphin. (from Nabataean Panthon, the Nabataea Web Site)

[16] And the , the Woman of Harlotry, incited and seduced Eve through the husks of Light which in itself is holiness. And the seduced Holy Eve, and enough said for him who understands. An all this ruination came about because Adam the first man coupled with Eve while she was in her menstrual impurity -- this is the filth and the impure seed of the who mounted Eve before Adam mounted her. Behold, here it is before you: because of the sins of Adam the first man all the things mentioned came into being. For Evil Lilith, when she saw the greatness of his corruption, became strong in her husks, and came to Adam against his will, and became hot from him and bore him many demons and spirits and Lilin. (Bacharach, 'Emeq haMelekh 7c-d; Patai81:455f)

(Author's Note) See also <u>Satan, Lilith, Demons, and Sex</u> for a reference of Lilith making love to women in the form of an incubus. Also note in this same page that the Blind Dragon was used for intercourse between Samael and Lilith, because Samael is castrated. It only makes sense that Lilith could use the Blind Dragon also with Eve.

[17] The Acacia tree resin bleeding could be seen as the phenomena menoraha-gia, the excessive flow of blood in the menstrual period of mother Earth Gaia. (from <u>The Acacia Tree and the Rites of Initiation</u>) See also footnote [9] that explains Al-Uzza's connection with the Acacia Tree.

[18] And she is with him many times, but does not kill him. This is the man who becomes blemished on every New Moon, for she never gives him up. For month after month, when the moon becomes renewed in the world Lilith comes forth and visits all those whom she brings up, and makes sport with them, and therefore that person is blemished at that time. (Patai81:457f)

And also:

And all this is because of the diminishing of the moon which reduced its light.... When Cain was born, she could not attach herself to him. But later she approached him and bore spirits and winged demons. For 114 years Adam had intercourse with female spirits, until Naamah came. Because of her beauty the sons of God went astray after her, 'Ussa and 'Azael, and she bore from them, and from her spread evil. spirits and demons in the world.... (Patai81:454f)

[19] Allat, according to recent study of the complicated inspirational evidence, is believed to have been introduced into Arabia from Syria, and to have been the moon goddess of North Arabia. If this is the correct interpretation of her character, she corresponded to the moon deity of South Arabia, Almaqah, 'Vadd, 'Amm or Sin as he was called, the difference being only the oppositeness of gender. Mount Sinai (the name being an Arabic feminine form of Sin) would then have been one of the centers of the worship of this northern moon goddess. Similarly, al-'Uzza is supposed to have come from Sinai, and to have been the goddess of the planet Venus. As the moon and the evening star are associated in the heavens, so too were Allat and al-'Uzza together in religious belief, and so too are the crescent and star conjoined on the flags of Arab countries today. Is al-Lāt the same as Allah?

The second proposed etymology takes al-Lat to be the feminine form of Allah. She may have been known originally as 'al-'ilat, based on Herodotus' attestation of the goddess as Alilat. Al-Lat was used as a title for the goddess Asherah or Athirat.

THE APOSTLES PAUL AND JOHN BOTH AGREE THAT MUHAMMAD IS THE ANTICHRIST

Chapter 10:1-83

THE APOSTLES PAUL AND JOHN BOTH AGREE THAT MUHAMMAD IS THE ANTICHRIST

- (1) Wonderful, so Muhammad is that Antichrist whom the scriptures and the apostles warned the church of his second coming.
- (2). Just as it was prophesied by the Hebrew prophets and our apostles the Antichrist Muhammad came and went into perdition.
- (3). Going back to that scripture by the apostle Paul in the book of 2 Thessalonians.
- (4). Again, the apostle Paul prophesied concerning our Day (999), and about the second coming of Muhammad and said "Now we beseech you, brethren, by the coming (presence) of our Lord Jesus Christ, and by our gathering together unto him.
- (5). That ye be not shaken in mind, or troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.
- (6). Let no man deceive you by any means: for that say shall not come, except there come a falling away (first of all the churches from the scriptures).
- (7). And that man of Sin (Muhammad) be revealed, (Knowledge) the son of perdition.
- (8). According to the above word of knowledge by the Apostle Paul, the second coming of Muhammad was to be a revelation (Knowledge) that preceded our Day (09-09-09) and the gathering together of our members to the Everlasting life.
- (9). In other words, what the apostle Paul is saying in the above scripture is that our Day and the gathering together of our members to us, will not happen until Muhammad is revealed (KNOWLEDGE) as the Antichrist to the real Church.
- (10). As we have previously unveiled, the above simply means that our day and the gathering together of our saints to us will not happen until the Man who is the Natural life (Sin) is revealed.
- (11). The above also means that you will not become aware that I am in my Father, and ye in me, and I in you until the Man who is the Natural life is unveiled to you.
- (12). The above prophecy also prophesied that all the churches will fall away from the scriptures before all the above happens.
- (13). Even so, the above prophecy also called Muhammad Sin (Natural life).
- (14). Therefore Sin in the New Testament is different from sin in the Old Testament.
- (15). In the Old Testament Sin was the transgression of our commandment by the first Adam.
- (16). Scripture reference: Apostle Paul, "For when we were yet without strength (Everlasting life), in due time Christ died for the ungodly.
- (17). For scarcely for a righteous man will one die: yet peradventure for a good man some would even dare to die.
- (18). But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us.
- (19). Much more then, being now justified by his blood, we shall be saved from wrath through him.
- (20). For if, when we were enemies, we were reconciled to God by the death of his Son, much more, being reconciled, we shall be saved by his (Everlasting) life.
- (21). And not only so, but we also joy in God through our Lord Jesus Christ, by whom we have now received the atonement.
- (22). Wherefore, as by one man (first Adam) Sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned: (For until the law sin was in the world: but sin is not imputed when there is no law.
- (23). Nevertheless death reigned from Adam to Moses, even over them that had not sinned after the similitude of Adam's transgression, who is the figure of him that was to come.
- (24). But not as the offence, so also is the free gift (Righteousenss/Everlasting life).
- (25). For if through the offence of one (first Adam) many be dead, much more the grace of God, and the gift (Everlasting life) by grace, which is by one man, Jesus Christ, hath abounded unto many.

- (26). And not as it was by one (first Adam) that sinned, so is the gift (Everlasting life): for the judgment was by one (first Adam) to condemnation (to Death), but the free gift (of Righteousness) is of many offences unto justification (of Everlasting life).
- (27). For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ.)
- (28). Therefore as by the offence of one (first Adam) judgment came upon all men to condemnation (to Death); even so by the righteousness of one (Christ) the free gift came upon all men unto justification of life.
- (29). For as by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous.
- (30). Moreover the law (of sin and death) entered, that the offence might abound.
- (31). But where sin abounded, grace did much more abound: that as Sin hath reigned (in the first Adam) unto death, even so might grace reign through righteousness (in the last Adam) unto eternal life by Jesus Christ our Lord"
- (32). So Sin in the Old Testament was the transgression of our first commandment by the first Adam.
- (33). Sin in the Old Testament also refers to the assimilation of the fruit of the knowledge of good and evil by the first Adam.
- (34). If Sin in the New Testament is the same as Sin in the Old Testament, the apostle Paul would not have told our members to wait for another revelation of Sin.
- (35). So the apostle Paul told our members that our Day and their gathering together unto us, will not take place, until they fall away from our scriptures, and the Antichrist Muhammad is revealed (knowledge) to them.
- (36). After the apostle Paul told our members the above, he went ahead and told them what the Antichrist Muhammad would do when he came back.
- (37). Besides opposing us (Everlasting life/Son of God): the Apostle Paul told our members that the Antichrist Muhammad would set himself up in our former temple at Jerusalem.
- (38). The above setting up of The Antichrist in our former temple at Jerusalem is what the Bible calls the abomination that causes desolation.
- (39). We are going to see how this happened in chapters to come.
- (40). The most important thing here, for now, is that the Apostle Paul, told you that the Antichrist Muhammad was to come and oppose us (Everlasting life) without you receiving from us the knowledge of who he was, until he (his body) was taken out of the way to the lake of fire (second death).
- (41). So the Apostle Paul told you that the Antichrist Muhammad was to come and continue his opposition against us, (Son of God) without you knowing who he was, until he was taken out of the way.
- (42). This is where a lot of 'Christian' folks have gone wrong.
- (43). Our members were never told to wait for the sense knowledge of the Antichrist, but rather, they were told to wait for the revelation knowledge of who he is.
- (44). This is exactly what has transpired.
- (45). Just as the apostle Paul prophesied, the hidden man of the Flesh, Sin aka Muhammad has come and set himself up in our former temple at Jerusalem.
- (46). Again, this is that abomination that causes desolation spoken of by the prophet Daniel.
- (47). Even so, the Antichrist Muhammad came and exalted himself above everything that our members call God and worship.
- (48). The Apostle Paul agrees with the Apostle John, that Muhammad is the Antichrist because Muhammad came and exalted himself above the Everlasting life (Son of God).
- (49). The apostle Paul also agrees with the Apostle John, that Muhammad and his evil spirits are the Antichrists because just as he prophesied, the Antichrist Muhammad is in denial of our trinity.
- (50). Thus, both apostles were speaking of the same spirit in their prophecies concerning the coming of the Antichrist.

- (51). The apostle Paul told you that Muhammad dwelt in him as Sin, whilst the apostle John told you that Muhammad is that beast that once was as Azazel and is not, and yet is alive in every man as Sin.
- (52). Scripture reference: Apostle Paul, "Know ye not, brethren, (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth?
- (53). For the woman which hath an husband is bound by the law to her husband so long as he liveth; but if the husband be dead, she is loosed from the law of her husband.
- (54). So then if, while her husband liveth, she be married to another man, she shall be called an adulteress: but if her husband be dead, she is free from that law; so that she is no adulteress, though she be married to another man.
- (55). Wherefore, my brethren, ye also are become dead to the law (of the Old Testament) by the body of Christ; that ye should be married to another, even to him who is raised from the dead, that we should bring forth fruit unto God.
- (56). For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death.
- (57). But now we are delivered from the law, that being dead wherein we were held; that we should serve in newness of spirit, and not in the oldness of the letter.
- (58). What shall we say then? Is the law sin? God forbid.
- (59). Nay, I had not known sin, but by the law: for I had not known lust, except the law had said, Thou shalt not covet.
- (60). But sin, taking occasion by the commandment, wrought in me all manner of concupiscence.
- (61). For without the law sin was dead.
- (62). For I was alive without the law once: but when the commandment came, sin revived, and I died.
- (63). And the commandment, which was ordained to life, I found to be unto death.
- (64). For sin, taking occasion by the commandment, deceived me, and by it slew me.(65). Wherefore the law is holy, and the commandment holy, and just, and good.
- (66). Was then that which is good made death unto me? God forbid.
- (67). But Sin (Muhammad), that it might appear sin, working death in me by that which is good; that sin by the commandment might become exceeding sinful.
- (68). For we know that the law is spiritual: but I am carnal, sold under sin.
- (69). For that which I do I allow not: for what I would, that do I not; but what I hate, that do I.
- (70). If then I do that which I would not, I consent unto the law that it is good.
- (71). Now then it is no more I that do it, but Sin (Muhammad) that dwelleth in me". Romans 7:1-17
- (72). Amen!
- (73). Thus, the Apostle Paul told you that Sin (Muhammad) dwelth in him.
- (74). You were also told in the prophecy of the prophet Micah to keep your words away from Muhammad (SIN) that lieth in thy bosom.
- (75). Scripture reference: Pr Trust ye not in a friend, put ye not confidence in a guide: keep the doors of thy mouth from her (Sin/Muhammad) that lieth in thy bosom.
- (76). For the son dishonoureth the father, the daughter riseth up against her mother, the daughter in law against her mother in law; a man's enemies are the men of his own house" Micah 7:5-6
- (77). Glory!
- (78). As you have just seen in the above prophecy by the prophet Micah, you are supposed to keep your words (spirits) away from Muhammad (Sin) that lieth in thy bosom.
- (79). In other words, a man is supposed to keep himself (Living Soul) away from his Sin (Muhammad).
- (80). Scripture reference: I was also upright (999) before him, and I kept myself from mine iniquity (Sin/Muhammad). Psalm 18:23
- (81). Below is that scripture where the Apostle John told you that the Antichrist Muhammad is the Beast that was, and is not, and yet is alive in every man as Sin.

(82). Apostle John, "the beast that thou sawest was (as Azazel), and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was (as Muhammad), and is not, and yet is (alive in every man as Sin). Revelation 17:8

(83). Thus, both the Apostles Paul and the Apostle John both agree that Muhammed is the Antichrist.

The Incarnation of Mohammed is from Mahavishnu! https://manovaonline.com/news_detail/182/english

Even if this sounds funny, it is not something to be treated as insignificant! Let no one think that this is a story made up by Manova to make fun of the Hindu incarnations! Let's look at what is written in the Bhavishyat purana, a Hindu Purana: "Then aforeign Acharya by the name of Mahammed will appear with his followers" (Bhavishayat Prana: 3:3:3:5). More clarity will come when we read a little further. "His disciples will do Chela karma. They will make loud call for prayer. They will grow beard; they will be revolutionaries; they will not wear 'kuduma'. They will eat most animals except pig. Because they fight with those who pollute religion, they will be called 'Mudailianmar'. The coming of these meat eaters will be from me (Vishnu)." (Bhavishayat Purana: 3:3:3:25-28).

This point out the fact that the origin of all other tribes is from the same! The truth that is written in the Bible, that other tribes offer sacrifices to the devil; not to God, becomes clearer here. If the center of all other religions is the same, then their origin also must be from Satan! There is a truth which is noticeable when we observe Bible and the other religions; all that had been proclaimed as the symbols of sin is of value to the religions of the others! In the Bible the is seen as the Symbol of evil and Satan. But we see all the Hindu incarnations have their bodies covered with s! We know that when Shiva wears it around his neck, Padmanabha sleeps atop the itself! This close association with the points out to their origin from the devil.

From the beginning of the world itself Satan had created many religions to fight against God. Through the disciples he has selected he has also introduced prophetic books too. These books prophesied about the prophets of Satan! Mohammed is one such person, predicted to be their descendant by the followers of Satan! From this itself it is clear who Allah is! All those who have read the Quran know that Mohammed had declared himself to be the great prophet of Allah.

Islam does not accept what is written in the Hindu vedas about Muhammed; on the contrary, they are trying to keep them hidden. There is a definite reason for this; for, the aim of Mohammed was to oppose YashayaTo fight against Christ and to establish that He is not the son of God, he had to remain with the history of the descent from Abraham. Because of this itself, he had to present the 'pagan' god 'Hubal' (allah) as the god of Abraham! So, he conveniently omitted the ancestors of Mohammed, Shiva and Mahavishnu and the other incarnations. The history of Islam has proved that Mohammed did not shy from eliminating anyone for attaining his goals. Earlier, Manova had made it clear how he did away with the three daughters of Allah to claim that he was a monotheist. The elimination of the daughters of Allah was a result of his attempt to propagate that Allah had no children! We see in the Quran that Mohammed tried very hard to establish Allah as the True God!

Mohammed and after him his followers too tried very hard to fake that he was there in prophesies of the Bible - Old Testament! When they failed to find Mohammed in the Bible prophesies, they even tried to write a Bible on their own! When he found something near to his name in the Bible, he went around saying it was him, his followers continue to do so. Look at the new findings of these who have come with the new claim that Mohammed is there in the Song of Songs: "His hands are smoothed gold, full of hyacinths. His abdomen is ivory, accented with sapphires." (Song of Solomon: 5:16). We read thus in Hebrew, the original tongue in which the Song of Songs was written: "Hikko Mamithakim we Kullo Muhammadim Sehdoodeh va Zeharee Binah Jerusalem".

It is the word muhammadim in this verse that makes Muhammed and Islam very elated! It is not the fault of the Christians that there is no one in Islam who is wise enough to understand that this is not a noun, but a plural form! The Hebrew word 'muammadim' denotes 'something very sweet'! This adjective is used here because the noun it qualifies is plural! When it is said 'His words are very sweet', it is the words that are meant. That is, when 'im' is attached to words, they become plural in Hebrew. For example: Eloh, Elohim; Kerub, Kerubim; Shemma, Shemmayim; Kettub, Kettubim. If Christ called out to 'Eloh' on the cross, the prophets called the Trinity 'Elohim'! Even if we treat the word 'Muhammadim' as a noun, it will become plural Muhammeds! If so it will come to mean that it does not refer to one person, Mohammed! The Bible written in Hebrew uses the word 'muhammadim' many times over! If a romantic story is written in this language, 'muhammadim' will have to be used many more times. To describe the body of a prostitute too we have but to use the word 'muhammadim'! Manova pities the Islam who searches for Mohammed, who challenged that there is no greater book than the

Quran, in the Thorah and the Bible! Mohammed is very clearly mentioned in the Hindu Vedas and the Upanishads, but there is a reason for trying to hide these and search for Mohammed in the Bible, where he is not visible. Even Islam knows that it is better to say that one had a part in a Spielberg movie than being the hero in an 'Adult' rated movie!

Manova has only one thing to say to the Islam who searches for Mohammed in the Thorah and the Bible: one need not search in the company show room for a thing that can be found only in the waste heap! To make it clearer, things which are of use any longer are not kept in bank lockers or the show case; but in the waste disposal!

If you have not understood yet, journey through this article with Manova and you will be able to understand his true colours!

There is no doubt that the truth will come out one day. That is what has happened to Islam too. Manova is trying to lay bare before the world this truth through these articles. The readers will understand that these claims of Manova are true when they see certain symbols which are common to both Hinduism and Islam. The descriptions given in the Bible about Satan is clearly evident in the Hindu Gods and Allah!

'The Moon' is the god of all Heathens!

All other religions have centered their faith on the one symbol of 'the moon'. This deity has an important place among their gods. When the Hindus publicly accept moon as one among their gods, the only difference is that Islam raised 'the moon' to the position of their sole god! By analyzing this symbol alone, Manova will confirm that Hindu and Islam are but 'birds of the same feather'!

Shiva is a powerful god among the Hindu pantheon! The relationship of Mohammed to this Shiva can be seen very clearly. It is not by accident that both of them placed the crescent moon on their heads. The moon became an inevitable symbol to Islam as Islam exists on the foundation of the moon god! That is why Islam places the moon in high esteem! The moon has a place of high importance in everything related to them. We know that the crescent moon is placed above their worship places. They are not ready to celebrate their festivals before sighting the moon in the sky. It is understood from this itself that the moon is important to Islam like the cross is important to the Christians. If we look at how Allah is written in the Arabic language we will understand how close the relationship between Allah and the moon is! Allah is written in Arabic by pacing together five 'crescent moons. Those who have doubt take a look at this:

The relationship that Shiva holds to Islam does not end with the crescent moon. We have understood that both Hinduism and Islam the moon in high esteem. Keeping on the head and placing it atop the worship place denotes high esteem. Let's look at another symbol that reveals the relationship Islam holds to the Hindu religion!

Sabarimala Ayyappan and Vavar Swami!

Some mysteries get unraveled when we check who 'Ayyappan and Vavar' are. Hindus believe that Ayyappan was born to Shiva in Vishnumaya. Some others argue that he is the son of the king of Panthalam. His posture denotes his connection to Buddha! Not only that, the word Shasthavu itself is a synonymn for Buddha. We know that there are many contradictory illogical myths that are being propagated by the followers of this evil force. Another truth is that those who were singing the praise of 'Makaravilakku as a miracle is in complete silence now!

Shiva will not leave even Mahavishnu if spotted in a woman's clothing; proof of it is fact is that he begetted Ayyappa through Vishnumaya, the Mohini incarnation of Vishnu. Another great similarity between Shiva and Mohammed is their congruity in matters related to sex. On seeing the woman's form, Mohammed is ready to take even his son's wife; in this he has great similarity to Shiva! Another legend about Ayyappa goes like this: Ayyappa, the resident of the golden hills, was born to Kandan and Karuthamma, members of the Araya tribe, in a cave in the golden hills! But we hould not forget that all kinds of devils are out claiming the fatherhood of Ayyappan.

Manova has no doubt about whoever be Ayyappan be the son of; that it is the devil! We are making this our subject since Manova feels it his duty to unravel the falsehood in Islam and Mohammed to raise the moon god to the position of the True God by claiming that Allah is the god of Abraham! How does Vavarswami, the Muslim, become the half brother of Ayyappan, the illegitimate son of Shiva? There are varying arguments that Vavar was Ayyappan's brother and friend. If we read together with this the fact that in Bhavishyapurana, Mohammed is described as Vishnu's son, we have to agree that Mohammed is the incarnation of Vavar! It will be thus clear that Ayyappan, born to Shiva by the female incarnation of Vishnu, and Mohammed, declared to have come from Vishnu, are brothers!

The secret of the 'Shivlinga' deity at Mecca!

According to 'Sanathana' faith, one of the Jyothirlinga installations is in Mecca! 'Sanathana' believes that man and nature united to make the universe. 'Sanathana' is the belief that nature which took the form of a dot from vaccum, later transformed into art and sound and turned into the first sound Omkara! Hindus believe that they

were born from the vagina of the universe; and worship what they consider as the seat of the birth of the universe, the Shivalinga. Hindus even believe and decimate that; the Shivalingam can produce energy on its own. It is a fact that when the bright are getting ready to stay on the Mars, there are Hindus who remain unmarried due to the evil eye of Mars!

Hindus argue that when you go around the Shivalinga, energy is produced and it is in Mecca that the highest energy is produced this way; go because, when the Muslims circumvent the Ka-abba, they are circumventing the Shivalinga. When the Hindus swear that the Muslims are circumventing ad kissing the Shivalinga at Ka-abba, the explanation of the Muslims is in the form of avoidance only! The Hindus in turn mockingly say that the Muslims, who do not believe in symbols but believe in one god, are actually going round and kissing the Shivalinga at Mecca, and this ritual of kissing the symbol of the of vagina of the universe is to be found only there! And we cannot deny the facts that the Muslims bring forth to prove their point. This will be very clear to those who watch the dress of the Hajjis! How can Islam defend the verbatim of copying the Hindu preist's dress?

It is to make believe that Yahweh, the True God is Allah that; they say that the Nandikesha of the Shiva temple is Abraham! All worships that are done in a Shiva temple are done in its original form in Mecca. To hide this fact; no one from any other religion is allowed anywhere near the Mecca. But there is something they cannot prevent and that is satellite pictures. Those who have seen the satellite pictures of Mecca pay heed to the arguments of Manova: can anyone say that it is a picture of a place where the Shivalinga resides? Mohammed and his plans were a clever tactic by Satan, disguised as Shiva, to entice men into Shiva worship after taking birth from Vishnu. When the God of the Bible makes it clear that all other tribes are the slaves of Satan, Mohammed declared that Islam did not belong to the 'non-believers' and declared that that it was the god of Abraham that sent him! Seekers of truth will realize that they follow pattern of worship in Shiva Temple and since 'Nandikesha's' presence is essential there, through falsehood Mohammed made himself Abraham! The challenge posed by the Hindu 'thinkers' is that if a drop of water from the Ganges falls on the Mecca, it will turn into the rich field of the 'Sanathana Dharma'! But we know that neither the Muslims be ready to accept this challenge nor are the Hindus going to sprinkle 'Gangajal' and become scapegoats! Hindus themselves admit that the shame caused by the 'Makaravilakku' fiasco itself has not died down! There is another question posed by the Hindus to the Muslims: When the Muslims secretly imitates the 'Sanathana Dharma', why they take a stand against it in public. But any Christian with spiritual knowledge will know its answer! It is Satan's need to hide the fact that Hinduism and Islam are birds of the same feather! Mohammed knows more than anyone else that the card castle which he has built will turn to a rubble heap the moment it gets revealed that the one who revels by the name of Allah is actually Satan!

The common intention of all other tribes is to eliminate Christianity. All non-believing forces are looking with eagle eyes with the aim of separating Christians from their faith. When man-gods flock to Christian nations with trickeries like yoga, Islam is doing its own part with a made-up book like the Gospel of Barnabas. It is a calamity that those Christian leaders who do not have the spiritual wisdom to recognize all these, stand for the devil in their own capacity! It should not be forgotten that many who are working in the guise of gospel promoters are in fact spokespersons for the other tribes! Some of the Reaths are more interested in playing the game of the West and the East even when the sand under their very own foot is getting eroded! The place of the Moon in Christianity!

Anyone who has heard about the Hindu religion knows that Moon is one among their gods! Even though most people may not know that it was the moon god that had been made into Allah, there may not be any who doesn't know that the crescent moon is placed above their mosques as an important installation and has it recognized as a symbol of Islam. And we have also seen the system whereby none of their festivals begin without sighting the moon!

The fact that all other tribes hold moon in high esteem shows their common ancestry! Sabi, a religion found during the time of the Indus civilization, also had moon worship. Among the deities they worshipped the important ones were ox, elephant, bison, rhinoceros, sun, moon and stars! Since other tribes have kept the moon in high esteem it also becomes necessary to understand the place given to it in the Bible.

We understood how the children of Satan carry the moon on their heads. Now take a look at the moon in the Bible: "And a great sign appeared in heaven: a woman clothed with the sun, and the moon was under her feet, and on her head was a crown of twelve stars." (Revelations: 12:1). Even small children who read the next verses will be able to understand that the woman described here is Virgin Mary. Manova does not forget the fact; that some vested interests are trying to please Satan by twisting facts! Since there is no intention of discussing that here, let's get to the topic! By the fact that the place given to the moon is below the lady who wears the sun as her dress, the head of the other nations or tribes have been smashed away. Let's take a look at another verse to find out if keeping under the foot and destroying are the same. "And may the God of peace quickly crush Satan under your feet. The grace of our Lord Jesus Christ be with you." (Romans: 16:20). When we know that keeping under foot and destroying are the same, and the one who is being destroyed is the devil, we know the place given to the common god of the other nations!

The children of Satan's unceasing hatred towards Virgin Mary spring from this! Mohammed was not only crying about Christians accepting Christ as the Son of God; the place given to Virgin Mary also infuriated Mohammed! His words of pain are thus recorded in the filthy Ouran like this: They have certainly disbelieved who say that Allah is Christ, the son of Mary. Say, "Then who could prevent Allah at all if He had intended to destroy Christ, the son of Mary, or his mother or everyone on the earth?" And to Allah belongs the dominion of the heavens and the earth and whatever is between them. He creates what He wills, and Allah is over all things competent. (Surah: 5:17). We know that to stamp on means to denigrate or insult. It is only natural that Satan and his dependents feel hatred towards Mariam, who kept under her foot what the other nations have kept on their head! That is why other nations and the churches led by Satan are intolerant to the mother of Jesus. We should realize that whoever opposes Mariam had been sent by Satan, and he aims to nurture other nations through this. Look at this portion from Revelations: "And the dragon was angry at the woman. And so he went away to do battle with the remainder of her offspring, those who keep the commandments of God and who hold to the testimony of Jesus Christ" (Revelations: 12:17). This verse not only points out to the hatred the (Satan) holds towards Mariam; it also reveals the secret that whoever bears witness to Christ are also the sons of this mother! By bringing under the foot of Mariam, God derogated the Moon god, common to all the other nations. God found whatever he made to be good! This truth is revealed by the word. If so, there might be people who think that this argument of Manova would be wrong. It is quite natural to think so. God has not created anything to become bad; he has not created Satan too! The angels of heaven became devils because of their ego. Those who have read the Bible know that they have not been created as Satans! And God created moon and all other planets by his greatness! But when the creation gets raised to the position of the worshipped, the godly presence in them gets withdrawn and Satan takes charge of them!

Let, be it man or material, if anything falls to the position of being worshipped, then the godly aura from them gets taken away, the Bible gives proof of this! Look at something that is described in the Acts of Apostles: "Then, on the appointed day, Herod was clothed in kingly apparel, and he sat in the judgment seat, and he gave a speech to them. Then the people were crying out, "The voice of a god, and not of a man!" And immediately, an Angel of the Lord struck him down, because he had not given honor to God. And having been consumed by worms, he expired." (Acts of Apostles: 12:21-23). If anyone thinks why it doesn't happen like this now, then Manova's reply will be that it happens even now. This is what happened to the angels too. If those angels who raised themselves to the power of god turned to devils, no one needs to doubt the fact that the mangods of the present also are also devils. The religions that baffle God's children by saying that there is god even in every pillar and atom, are the agents of Satan, and those who do not realize this are on their journey to hell! We must isolate those who have entered God's church as the spokespersons of such ideas. We should not fail to see the modern Herodiases who try to bring glory to themselves by making 'flex boards' with the church's money.

The sun and the moon had been created for man; the religions and the men who spread the myth that by worshipping them, we are worshipping the god who has made them, too come from Satan! 'Yoga' is one such theory brought forward to bring disaster on man! The marketers of Yoga endorse the theory that there is an element of God in everyone and by worshipping that we are worshipping the creator. This is completely wrong and will lead to man's total destruction! Manova will give proof for this from the Bible. God says through the

prophet "And he led me into the inner atrium of the house of the Lord. And behold, at the door of the temple of the Lord, between the vestibule and the altar, there were about twenty-five men with their backs toward the temple of the Lord, and their faces toward the east. And they were adoring toward the rising of the Sun." (Ezekiel: 8:16). It does not end with this; through law Yahweh has prohibited such worships! Look at one of the laws given through Moses: "Otherwise, perhaps lifting up your eyes to heaven, you might look upon the sun and the moon and all the stars of heaven, and being deceived by error, you might adore and worship these things, which the Lord your God created for the service of all the nations, which are under heaven." (Deuteronomy: 4:19).

Manova has only one thing to say to those who do not heed such clearly given laws and run behind Yoga and the teachers of other nations and tribes: 'Hell is waiting with gaped mouth, with all its disasters!' 'Paganism is the idiocy that; worships the objects, which are created to serve humans! Christians have received the power to stamp on the Satanic powers that the teachers of other nations bear on their heads, including Mohammed and Shiva! The word says like this: "Behold, I have given you authority to tread upon s and scorpions, and upon all the powers of the enemy, and nothing shall hurt you." (Luke: 10:19).

The ones who became the most upset on hearing the news that man has landed on the moon were the Muslims! There are many Muslims who still do not believe this fact. When they received clear evidences, they changed the direction of their argument itself! Now they propagate that when man landed on moon, they heard the call for their prayer. There is a possibility that this might be true; for when they got down on the moon; as Allah got stamped hard by man, he might have cried out loud! Their 'call for prayer' is a reminder for the followers of Satan to worship him!

When Christians surrender to the other nations and partake in their leftovers, without realizing their strength and power; is what Manova calls as imitation of the other nations! It is not forgotten that there are Christians who have understood falsely that Islam is a sister religion. And it was the responsibility of Allah and Mohammed to spread it thus. It was the support of some who claim to be Christians that gave strength to the spreading of such lies! And those unwise transferred their stupidity to the next generations too. It should not be forgotten that those who do not recognize Islam as an offshoot of Hinduism itself is going to face dire disaster! Through this article Manova was trying to make it clear that the origin of all heathens is from the same! Christianity, which is a continuation of the Judaism, has uniformity with that alone and no other religions in the world! Many have fallen into Satan's trick to reap rewards by creating the false impression that the essence of all religions is the same.

It is the children of those parents who gave only instruction in worldly knowledge without giving any religious instructions, that fall off to eternal disaster by marrying from other religions! The way the heads of the Christian Churches move is also in the direction which the Bible warned us against; and this worsens the depth of the disaster! When leaders who are ignorant of the truth lead the church, it is like 'the blind leading the blind'! What is most pitiable is the condition of these blind men's initiative, to lead, even those who have good vision! Remember this verse: "But if anyone considers himself to know anything, he does not yet know in the way that he ought to know." (1 Corinthians: 8:2).
